Admission Procedure

To better understand the procedures necessary to complete the admittance process, please review the following steps:

STEP ONE: All of our Residents must meet certain income guidelines as well as physical ability guidelines. The first packet you receive will contain several forms which must be filled out, signed and returned to The Granville. Please fill out the Application for Residency Form as completely and accurately as possible.

The Consent to Release Medical Information also must be signed and returned to us. This form will allow us to contact your physician regarding the general status of your health, the medications you are currently taking, and the ability of The Granville to meet your needs.

To verify that income guidelines are met, we must have a separate Income or Asset Verification Form for **EACH** and **EVERY** source of income (social security, pension, etc.) and **EACH** and **EVERY** location of assets (bank, investment company, etc.). We will send these forms out to the agency or institution you indicate so it is not necessary to fill in any payment amounts or bank account balances. We can use the current year's award letter from the Social Security Administration to verify social security income. ***Please call the Social Security Administration to obtain an Award Letter at no charge. The local SSA phone number is 1-866-563-9469. We must receive all forms back in our office before we can proceed with the admission process.***

STEP TWO: After the physician statement and the verification forms have been mailed out, completed and returned to our office, our Resident Services Director will call you and set up an appointment for an assessment.

STEP THREE: The next step is signing the Residency Agreement. This is the legal document required before move-in. It will spell out the financial terms, services provided by the facility, and how to terminate the Agreement. In addition, you will receive copies of our Admission and Discharge Procedures, Resident Rights, House Rules, and Grievance Procedures. At this time, we will let you know your move-in date. We will need a check for your first month's rent and security deposit. If you move in the middle of the month, the rent will be prorated.

STEP FOUR: Upon move in you will meet with our Resident Services Director to develop a personal plan of care. This will identify the Resident's needs and the services The Granville will provide to meet those needs.

If you have any questions please contact our Administrator, Sara Taylor, at 303-274-4400.
